

Strategy 6: Braid, Blend, or Sequence Funding

Compliance Considerations

When might I consider exploring...	Blending	Braiding	Sequencing
Stakeholders are aligned on vision and goals, want to maximize impact	x	x	
There are gaps in programming that could be filled by related effort		x	x
Dedicated support exists / will be established to foster relationships building and communications	x	x	
Program is in early stages and is easy to adapt	x	x	x
Compliance requirements are limited or easy to change	x	x	
All of the funding sources available are non-federal	x		
Compliance requirements are complex		x	x
System integration work is planned or ongoing to support reporting	x	x	

Enrollment processes are or will be integrated for a streamlined user experience	x	x	
Participants must progress through a set of steps to quality or advance to the next stage (e.g. education prior to employment)		x	x
Program is short in duration or nearly complete		x	
Limited time is available for strategy/stakeholder engagement prior to launch			x
