

State and Local Workforce Fellowship Training Calendar

All members of the Fellowship are expected to attend each monthly training session for the program track in which they are enrolled. Fellowship training events are typically held from 3:30-5:00pm EST via Zoom. Invitations to each session will be sent in advance.

RFA also will be offering “office hours” following the monthly training sessions to offer participants a chance to discuss application of the content to their projects, answer questions, etc. Office hours are typically held from 12:00-1:00pm EST via Zoom. Invitations to each session will be sent in advance.

Please note that while we will do our best to not alter dates, times, or content, this calendar is subject to change.
